

Hoon Driving Survey

Have you noticed an increase in hoon driving?

Do you feel there is a correlation between dangerous driving and road fatalities?

What do you believe the State Government should be doing to combat or prevent hoon driving?

How would you rate the following in terms of their effectiveness in combating hoon driving?

- *Hoon driver education in the form of 'Shock Driving Workshops'*
- *An off street drag racing complex*
- *Crushing hoon driver vehicles*
- *Mobile speed cameras positioned in secure bunkers in prime timeslots*
