## **PETITION**

To Her Worship The Mayor and Councillors of the City of Burnside.

This petition of the undersigned residents of the City of Burnside and wider community draws to the attention of the Council that the Margaret Bond Oval at Glenunga is in need of an upgrade.

We the undersigned are concerned that the poor condition of the oval and facilities is preventing local sports clubs who use the grounds from attracting more members and expanding. Players regularly suffer ankle injuries due to potholes on the field, while at times the clubs need to reschedule their games because the surface is too wet and dangerous to play on.

In the interest of promoting sport within the local community, your petitioners therefore request that the City of Burnside support this important issue and undertake to investigate this matter with a view to upgrade the Margaret Bond Oval.
